# Otolaryngology–Head and Neck Surgery

Official Journal of the American Academy of Otolaryngology–Head and Neck Surgery Foundation, Inc.

**EDITOR**

J. Gail Neely, MD, FACS
Dept. of Otorhinolaryngology
U. Of Okla. Health Science Center
920 Stanton Young Blvd., 3SP-226
Oklahoma City, Oklahoma 73104

**Managing Editor:** Darla Guinn

**Assoc. Ed./Allergy:** Richard L. Mabry, MD
**Assoc. Ed./Basic Science Review:** Edwin W Rubel, PhD
**Assoc. Ed./Experimental Studies:** Ilsa Schwartz, PhD
**Assoc. Ed./Fac. Plast. & Reconstr. Surg.:** J. Regan Thomas, MD
**Assoc. Ed./General Otolaryngology:** Frank E. Lucente, MD
**Assoc. Ed./Head and Neck Cancer:** Jesus E. Medina, MD
**Assoc. Ed./Otology and Neurotology:** Sam E. Kinney, MD
**Assoc. Ed./Case Reports:** Paul A. Levine, MD
**Assoc. Ed. for Drug/Device Capsules:** William J. Richtsmeier, MD, PhD
**Assoc. Ed./Book Reviews:** David W. Eisele, MD
**Senior Manuscript Editor:** J. David Kopp

**EXECUTIVE EDITORIAL BOARD**

Robert W. Cantrell, MD, *Charlottesville*
Richard A. Chole, MD, PhD, *Berkeley, Calif.*
Ted A. Cook, MD, *Portland, Ore.*
Robin T. Cotton, MD, *Cincinnati*
Charles W. Cummings, MD, *Seattle*
Robert Dobie, MD, *Seattle*
Robert E. Fechner, MD, *Charlottesville*

**Astemizole**
Astemizole-associated urinary retention (Lin et al). 1991;104:893-4 (Drug/device)
**Atropine**
Mechanism of action of some commonly used nasal drugs (Jackson). 1991;104:433-40
**Auditory nerve**; *see* **Acoustic nerve**
**Auditory perception**
Auditory and vestibular function after vestibular neurectomy (Rosenberg et al). 1991;104:139-40
**Aviation medicine**; *see* **Aerospace medicine**

## B

**Baron tube**; *see* **Instruments**
**Bell's palsy**; *see* **Facial paralysis**
**Benign paroxysmal positional vertigo**; *see* **Vertigo**
**Biopsy**
Technique for transmission and immunoelectron microscopy of the human endolymphatic sac and vestibular epithelia (Wackym et al). 1991;104:72-80
The use of fine-needle aspiration in the diagnosis of metastatic pulmonary adenoid cystic carcinoma (Pitman et al). 1991;104:441-7
**Birth defects**; *see* **Abnormalities**
**Bithermal stimulation**; *see* **Physical stimulation**
**Blindness**
Blindness resulting from orbital complications of sinusitis (Patt and Manning). 1991;104:789-95
**Blood vessels, abnormalities**
Quest for the aberrant vessel (Milczuk et al). 1991;104:489-94
**Book reviews**
Book reviews. 1991;104:417-8, 559-60, 895-9
**Botulinum toxin**
Successful treatment of selected cases of abductor spasmodic dysphonia using botulinum toxin injection (Ludlow et al). 1991;104:849-55
**Brain stem**
The trans-sigmoid, retrolabyrinthine, transtentorial approach to the brainstem (Herzog et al). 1991;104:130-1

## C

**Caloric tests**
Prediction of bithermal caloric response from monothermal stimulation (Keith et al). 1991;104:499-502
**Carbon dioxide laser surgery**; *see* **Laser surgery**
**Carcinoma, squamous cell**
Growth and histopathology of human head and neck squamous cell carcinoma implanted intraorally in nude mice (Sales et al). 1991;104:351-7

January, pp. 1-152; February, pp. 153-286; March, pp. 287-420; April, pp. 421-562; May, pp. 563-774; June, pp. 775-918.

Human papillomavirus DNA sequences in cell lines derived from head and neck squamous cell carcinomas (Bradford et al). 1991;104:303-10
The keratitis, ichthyosis, and deafness syndrome (Morris et al). 1991;104:526-8 (Case rep.)
Laser cordectomy for T1 glottic carcinoma: a 10-year experience and videostroboscopic findings (Casiano et al). 1991;104:831-7
Management of temporal bone carcinomas: a therapeutic analysis of two groups of patients and long-term followup (Spector). 1991;104:58-66
Radiotherapy of advanced laryngeal cancer using three small fractions daily (Bradley and Morgan). 1991;104:838-41

**Carotid arteries**
Carotid artery laceration secondary to thyroid cartilage fracture: an unusual complication of blunt neck trauma (Aviv et al). 1991;104:375-9 (Case rep.)

**Case reports**
Case reports. 1991;104:252-81, 362-98, 526-52, 856-80

**Cavernous sinus**
Otogenic cavernous sinus thrombosis (Doyle and Jackler). 1991;104:873-7 (Case rep.)

**Cerebellopontine angle**
Comparison of computerized tomography and magnetic resonance imaging for the postoperative assessment of residual acoustic tumor (Cass et al). 1991;104:182-90
The modified transcochlear approach to the cerebellopontine angle (Horn et al). 1991;104:37-41

**Cerebrospinal fluid**
Cerebrospinal fluid leaks and meningitis in acoustic neuroma surgery (Bryce et al). 1991;104:81-7

**Cerebrospinal rhinorrhea**
Primary spontaneous cerebrospinal fluid rhinorrhea (Beckhardt et al). 1991;104:425-32
Spontaneous CSF rhinorrhea: an unusual presentation of a pituitary adenoma (Carroll et al). 1991;104:380-3 (Case rep.)

**Chickenpox**
Congenital varicella and the newborn cry (Gaynor). 1991;104:541-4 (Case rep.)

**Child**
Aggressive juvenile fibromatosis involving the paranasal sinuses (Naidu et al). 1991;104:549-52 (Case rep.)
Changing patterns of epiglottitis in children (Emmerson et al). 1991;104:287-92
Congenital gustatory facial flushing (Zalzal). 1991;104:878-80 (Case rep.)
Congenital varicella and the newborn cry (Gaynor). 1991;104:541-4 (Case rep.)
Cricoarytenoid arthritis in children (Futran et al). 1991;104:366-70 (Case rep.)
The effects of adenotonsillectomy on growth in young children (Williams III et al). 1991;104:509-16
Life-threatening hemangioma arising from the parotid gland (Robertson et al). 1991;104:858-62 (Case rep.)

**Cholesteatoma**
Management of labyrinthine fistulas caused by cholesteatoma (Parisier et al). 1991;104:110-5
Transcanal infracochlear approach to the petrous apex (Giddings et al). 1991;104:29-36

**Cholesterol granuloma**; *see* **Granuloma**

**Chondrosarcoma**
Extraskeletal myxoid chondrosarcoma of the epiglottis: case report and review of the literature (Wilkinson III et al). 1991;104:257-60 (Case rep.)

**Choristoma**
Pleomorphic adenoma of cervical heterotopic salivary gland tissue: case report and review of neoplasms arising in cervical heterotopic salivary gland tissue (Rodgers et al). 1991;104:533-6 (Case rep.)

***Chrysosporium***
Invasive chrysosporium infection of the nose and paranasal sinuses in an immunocompromised host (Levy et al). 1991;104:384-8 (Case rep.)

***Cis*-platinum**
The "plateau effect" of *cis*-platinum–induced hearing loss (Myers et al). 1991;104:122-7

**Cocaine**
Mechanism of action of some commonly used nasal drugs (Jackson). 1991;104:433-40

**Cochlea, cytology**
Cochlear nucleus cell size is regulated by auditory nerve electrical activity (Pasic and Rubel). 1991;104:6-13

**Cochlea, drug effects**
Effect of glycerol and mannitol on perilymphatic $PO_2$ in guinea pig cochlea (Yoshida and Uemura). 1991;104:495-8

**Cochlea, physiopathology**
Protective effect of electrical stimulation in the deafened guinea pig cochlea (Hartshorn et al). 1991;104:311-9

**Cochlea, surgery**
The modified transcochlear approach to the cerebellopontine angle (Horn et al). 1991;104:37-41
Transcanal infracochlear approach to the petrous apex (Giddings et al). 1991;104:29-36

**Cochlear implant**
Comparison of speech perception abilities in deaf children with hearing aids or cochlear implants (Miyamoto et al). 1991;104:42-6
Facial nerve stimulation with cochlear implantation (Niparko et al). 1991;104:826-30
Labyrinthitis ossificans: histopathologic consideration for cochlear implantation (Green Jr et al). 1991;104:320-6
Performance of children with multichannel cochlear implants: a three-center study (Novak et al). 1991;104:149
Protective effect of electrical stimulation in the deafened guinea pig cochlea (Hartshorn et al). 1991;104:311-9
Speech perception skills of children implanted with multi-channel cochlear devices (Shea III and Domico). 1991;104:148

**Computed tomography**; *see* **Tomography, x-ray computed**

**Conductive hearing loss**; *see* **Hearing loss, conductive**

**Congenital birth defects**; *see* **Abnormalities**

**Cool stimulation**; *see* **Physical stimulation**

Facial nerve bifurcation within the internal auditory canal (Celin et al). 1991;104:389-93 (Case rep.)
**Facial nerve, blood supply**
Intrinsic vasculature of the labyrinthine segment of the facial nerve—implications for site of lesion in Bell's palsy (Balkany et al). 1991;104:20-3
**Facial nerve, pathology**
Intratemporal facial nerve hemangiomas (Shelton et al). 1991;104:116-21
Middle fossa and intratemporal facial nerve neuromas (Wiet et al). 1991;104:141-2
MRI of the facial nerve during paralysis (Murphy). 1991;104:47-51
**Facial nerve, surgery**
Hypoglossal-facial nerve interpositional-jump graft for facial reanimation without tongue atrophy (May et al). 1991;104:818-25
**Facial paralysis**
Intrinsic vasculature of the labyrinthine segment of the facial nerve—implications for site of lesion in Bell's palsy (Balkany et al). 1991;104:20-3
MRI of the facial nerve during paralysis (Murphy). 1991;104:47-51
**Fat obliteration**
Radiographic evaluation and diagnosis of the failed frontal osteoplastic flap with fat obliteration (Catalano et al). 1991;104:225-34
**Fatty tissue**; *see* **Adipose tissue**
**Fibroma**
Aggressive juvenile fibromatosis involving the paranasal sinuses (Naidu et al). 1991;104:549-52 (Case rep.)
Ossifying fibroma of the mid-face and paranasal sinuses: diagnostic and therapeutic considerations (Marvel et al). 1991;104:803-8
**Fibromatosis**; *see* **Fibroma**
**Fine-needle aspiration**; *see* **Biopsy**
**Fissula ante fenestram**
A temporal bone study method to evaluate clinical diagnostic criteria: permeability of patencies of the fissula ante fenestram (Kohut et al). 1991;104:143-4
**Fistula**
Management of labyrinthine fistulas caused by cholesteatoma (Parisier et al). 1991;104:110-5
Perilymph fistulas: the House Ear Clinic experience (Rizer and House). 1991;104:239-43
Perilymphatic fistula: analysis of free amino acids in middle ear microaspirates (Woodson et al). 1991;104:796-802
A temporal bone study method to evaluate clinical diagnostic criteria: permeability of patencies of the fissula ante fenestram (Kohut et al). 1991;104:143-4
**Flushing**
Congenital gustatory facial flushing (Zalzal). 1991;104:878-80 (Case rep.)
**Food hypersensitivity**
The intracutaneous progressive dilution multi-food test (King and Motes). 1991;104:235-8
**Forecasting**
Otolaryngology and head and neck surgery in the twenty-first century (Ruben). 1991;104:775-9 (Editorial)
**Fractures**
Carotid artery laceration secondary to thyroid cartilage fracture: an unusual complication of blunt neck trauma (Aviv et al). 1991;104:375-9 (Case rep.)
Traumatic Eagle's syndrome (Schroeder Jr). 1991;104:371-4 (Case rep.)
**Free amino acids**; *see* **Amino acids**
**Frontal osteoplastic flap**; *see* **Surgical flaps**
**Fungi**
Invasive chrysosporium infection of the nose and paranasal sinuses in an immunocompromised host (Levy et al). 1991;104:384-8 (Case rep.)

## G

**Galactorrhea**
Sphenoethmoid sinus mucocele presenting with amenorrhea and galactorrhea (Green and Calcaterra). 1991;104:856-7 (Case rep.)
**Glomangioma**
Glomus tumors of the temporal bone: electron microscopic and immunohistochemical evaluation (Farrior and Packer). 1991;104:24-8
**Glomus jugulare tumor**
Metastatic glomus jugulare: long-term followup (Bojrab et al). 1991;104:261-4 (Case rep.)
**Glomus tumor**; *see* **Glomangioma**
**Glottis**
Epiglottic laryngoplasty after hemilaryngectomy for glottic cancer (Nong et al). 1991;104:809-13
Laser cordectomy for T1 glottic carcinoma: a 10-year experience and videostroboscopic findings (Casiano et al). 1991;104:831-7
**Glycerin**
Effect of glycerol and mannitol on perilymphatic $PO_2$ in guinea pig cochlea (Yoshida and Uemura). 1991;104:495-8
**Glycerol**; *see* **Glycerin**
**Grafting, skin**; *see* **Skin transplantation**
**Granuloma**
Transcanal infracochlear approach to the petrous apex (Giddings et al). 1991;104:29-36
**Growth**
The effects of adenotonsillectomy on growth in young children (Williams III et al). 1991;104:509-16
**Gustatory sweating**; *see* **Sweating, gustatory**

J

**Jugular foramen**
Tumors of the jugular foramen: surgical preservation of neural function (Goldenberg and Gardner). 1991;104:129
**Jugular veins**
Emergencies in AIDS patients: the otolaryngologic perspective (Rothstein et al). 1991;104:545-8 (Case rep.)

K

**Keratitis**
The keratitis, ichthyosis, and deafness syndrome (Morris et al). 1991;104:526-8 (Case rep.)
**Keynote address**
Keynote address. 1991;104:157-8

L

**Labyrinth, abnormalities**
Facial nerve bifurcation within the internal auditory canal (Celin et al). 1991;104:389-93 (Case rep.)
**Labyrinth, blood supply**
Intrinsic vasculature of the labyrinthine segment of the facial nerve—implications for site of lesion in Bell's palsy (Balkany et al). 1991;104:20-3
**Labyrinth, surgery**
Vestibular compensation after labyrinthectomy and vestibular neurectomy in cats (Cass and Goshgarian). 1991;104:14-9
**Labyrinth diseases**
Management of labyrinthine fistulas caused by cholesteatoma (Parisier et al). 1991;104:110-5
**Labyrinthectomy**; *see* **Labyrinth, surgery**
**Labyrinthitis**
Labyrinthitis ossificans: histopathologic consideration for cochlear implantation (Green Jr et al). 1991;104:320-6
**Lacrimal duct obstruction**
Endoscopic surgery for lacrimal obstruction (Metson). 1991;104:473-9
**Laryngeal diseases**
Laryngeal involvement in scleromyxedema: a case report (Rapp et al). 1991;104:362-5 (Case rep.)
**Laryngeal neoplasms**
Radiotherapy of advanced laryngeal cancer using three small fractions daily (Bradley and Morgan). 1991;104:838-41
**Laryngectomy**
Epiglottic laryngoplasty after hemilaryngectomy for glottic cancer (Nong et al). 1991;104:809-13
**Laryngoplasty**; *see* **Larynx, surgery**
**Laryngoscopy**
Microsubglottoscopy: an expansion of operative microlaryngoscopy (Ossoff et al). 1991;104:842-8
**Larynx, artificial**
A new instrument for the simplification of tracheoesophageal puncture (Hurbis et al). 1991;104:410-6 (Drug/device)
**Larynx, innervation**
A functional evaluation of ansa cervicalis nerve transfer for unilateral vocal cord paralysis: future directions for laryngeal reinnervation (Green et al). 1991;104:453-66
**Larynx, surgery**
Epiglottic laryngoplasty after hemilaryngectomy for glottic cancer (Nong et al). 1991;104:809-13
Skin grafting of the larynx (Olson). 1991;104:503-8
**Laser surgery**
Laser cordectomy for T1 glottic carcinoma: a 10-year experience and videostroboscopic findings (Casiano et al). 1991;104:831-7
Polymerase chain reaction identification of human papillomavirus DNA in $CO_2$ laser plume from recurrent respiratory papillomatosis (Kashima et al). 1991;104:191-5
The potassium–titanyl phosphate laser for treatment of turbinate dysfunction (Levine). 1991;104:247-51

**Letters**
Acoustic neuroma (Wiet) (Letter); (Hamer et al) (Reply). 1991; 104:282
Aggressive fibromatosis (Cissik). 1991;104:282
Phonosurgery—a classification (Maragos). 1991;104:282-3
**Lung neoplasms**
The use of fine-needle aspiration in the diagnosis of metastatic pulmonary adenoid cystic carcinoma (Pitman et al). 1991;104: 441-7

M

**Magnetic resonance imaging**
Comparison of computerized tomography and magnetic resonance imaging for the postoperative assessment of residual acoustic tumor (Cass et al). 1991;104:182-90
False-positive MR imaging in the diagnosis of acoustic neurinomas (von Glass et al). 1991;104:863-7 (Case rep.)
MRI of the facial nerve during paralysis (Murphy). 1991;104:47-51
**Mannitol**
Effect of glycerol and mannitol on perilymphatic $PO_2$ in guinea pig cochlea (Yoshida and Uemura). 1991;104:495-8
**Mast-cell stabilizers**
Mechanism of action of some commonly used nasal drugs (Jackson). 1991;104:433-40
**Mastoid**
Adenomas of the mastoid and middle ear (Noel et al). 1991;104: 133-4
**Maxillary artery**
Internal maxillary artery variability in the pterygopalatine fossa (Morton and Khan). 1991;104:204-9
**Maxillary fractures**
Medial maxillary fractures (Hillstrom et al). 1991;104:270-5 (Case rep.)
**Melanoma**
Is melanoma changing? (Conley). 1991;104:327-32
**Meniere's disease**
Acoustic-distortion products: separation of sensory from neural dysfunction in sensorineural hearing loss in human beings and rabbits (Ohlms et al). 1991;104:159-74
Longitudinal followup of patients with Meniere's disease (Green Jr et al). 1991;104:783-8
**Meningitis**
Cerebrospinal fluid leaks and meningitis in acoustic neuroma surgery (Bryce et al). 1991;104:81-7
Sudden hearing loss due to AIDS-related cryptococcal meningitis—a temporal bone study (Kwartler et al). 1991;104:265-9 (Case rep.)
**Microscopy, electron**
Glomus tumors of the temporal bone: electron microscopic and immunohistochemical evaluation (Farrior and Packer). 1991; 104:24-8
**Microscopy, immunoelectron**
Technique for transmission and immunoelectron microscopy of the human endolymphatic sac and vestibular epithelia (Wackym et al). 1991;104:72-80
**Microsurgery**
Microsubglottoscopy: an expansion of operative microlaryngoscopy (Ossoff et al). 1991;104:842-8
**Modified transcochlear approach**; *see* **Surgical techniques**
**Monothermal stimulation**; *see* **Physical stimulation**
**Motion sickness**
Vestibular and postural findings in the motion sickness syndrome (Hamid). 1991;104:135-6
**Mouth breathing**
Upper airway obstruction and craniofacial morphology (Principato). 1991;104:881-90 (Review article)
**Mucocele**
Sphenoethmoid sinus mucocele presenting with amenorrhea and galactorrhea (Green and Calcaterra). 1991;104:856-7 (Case rep.)
**Multi-channel cochlear implant**; *see* **Cochlear implant**
**Muscle spasticity**
Successful treatment of selected cases of abductor spasmodic dysphonia using botulinum toxin injection (Ludlow et al). 1991; 104:849-55
**Myxoid chondrosarcoma**; *see* **Chondrosarcoma**

N

**Nasal cavity, surgery**
Middle meatus anstrostomy: patency rates and risk factors (Davis et al). 1991;104:467-72
**Nasal obstruction**
A rare cause of nasal obstruction: a solitary neurofibroma (Annino Jr et al). 1991;104:484-8
**Nasal sinus diseases**; *see* **Paranasal sinus diseases**
**Neck, injuries**
Carotid artery laceration secondary to thyroid cartilage fracture: an unusual complication of blunt neck trauma (Aviv et al). 1991;104:375-9 (Case rep.)
**Neck neoplasms**; *see* **Head and neck neoplasms**
**Neoglottis**
A modified neoglottis procedure: update and analysis (Brandenburg et al). 1991;104:175-81
**Neoplasm metastasis**
Metastatic glomus jugulare: long-term followup (Bojrab et al). 1991;104:261-4 (Case rep.)
The use of fine-needle aspiration in the diagnosis of metastatic pulmonary adenoid cystic carcinoma (Pitman et al). 1991;104: 441-7
**Neoplasm recurrence**
Operative management of acoustic neuromas: the priority of neurologic function over complete resection (Kemink et al). 1991; 104:96-9
**Nerve transfer**
A functional evaluation of ansa cervicalis nerve transfer for unilateral vocal cord paralysis: future directions for laryngeal reinnervation (Green et al). 1991;104:453-66
Hypoglossal-facial nerve interpositional-jump graft for facial reanimation without tongue atrophy (May et al). 1991;104:818-25
**Neurofibroma**
A rare cause of nasal obstruction: a solitary neurofibroma (Annino Jr et al). 1991;104:484-8
**Neurofibromatosis**
Neurofibromatosis type I—a rare case resulting in conductive hearing loss (McKennan). 1991;104:868-72 (Case rep.)
**Neuroma, acoustic, diagnosis**
False-positive MR imaging in the diagnosis of acoustic neurinomas (von Glass et al). 1991;104:863-7 (Case rep.)
Middle fossa and intratemporal facial nerve neuromas (Wiet et al). 1991;104:141-2
Vestibular autorotation test asymmetry analysis of acoustic neuromas (O'Leary et al). 1991;104:103-9
**Neuroma, acoustic, physiopathology**
Acoustic-distortion products: separation of sensory from neural dysfunction in sensorineural hearing loss in human beings and rabbits (Ohlms et al). 1991;104:159-74
**Neuroma, acoustic, surgery**
Acoustic neuroma surgery: predictive criteria for hearing preservation (MacDonald et al). 1991;104:128
Cerebrospinal fluid leaks and meningitis in acoustic neuroma surgery (Bryce et al). 1991;104:81-7
Facial nerve monitoring in acoustic tumor surgery (Kwartler et al). 1991;104:814-7
Intraoperative facial nerve monitoring: prognostic aspects during acoustic tumor removal (Beck et al). 1991;104:780-2
Modified Rambo meatoplasty in translabyrinthine tumor removal (Meyerhoff et al). 1991;104:100-2
Operative management of acoustic neuromas: the priority of neurologic function over complete resection (Kemink et al). 1991; 104:96-9
**Newborn**; *see* **Infant**
**Nose, blood supply**
Quest for the aberrant vessel (Milczuk et al). 1991;104:489-94

**Nose diseases**
Invasive chrysosporium infection of the nose and paranasal sinuses in an immunocompromised host (Levy et al). 1991;104:384-8 (Case rep.)
**Nose neoplasms**
A rare cause of nasal obstruction: a solitary neurofibroma (Annino Jr et al). 1991;104:484-8

O

**Obstructive sleep apnea**; *see* **Sleep apnea syndromes**
**Orbital diseases**
Blindness resulting from orbital complications of sinusitis (Patt and Manning). 1991;104:789-95
**Orthodontics**
Upper airway obstruction and craniofacial morphology (Principato). 1991;104:881-90 (Review article)
**Ossicular replacement prosthesis**
A universal ossicular replacement prosthesis: clinical trials of 152 cases (Black). 1991;104:210-8
**Ossification, pathologic**
Labyrinthitis ossificans: histopathologic consideration for cochlear implantation (Green Jr et al). 1991;104:320-6
Ossifying fibroma of the mid-face and paranasal sinuses: diagnostic and therapeutic considerations (Marvel et al). 1991;104:803-8
**Osteomyelitis**
Osteomyelitis of the skull base, etiology unknown (Sie et al). 1991;104:252-6 (Case rep.)
**Osteoplastic flap**; *see* **Surgical flaps**
**Otolaryngology**
Otolaryngology and head and neck surgery in the twenty-first century (Ruben). 1991;104:775-9 (Editorial)
**Oxygen**
Effect of glycerol and mannitol on perilymphatic $PO_2$ in guinea pig cochlea (Yoshida and Uemura). 1991;104:495-8

P

**Panoramic radiography**; *see* **Radiography, panoramic**
**Papillary adenocarcinoma**; *see* **Adenocarcinoma, papillary**
**Papillomaviruses**
Human papillomavirus DNA sequences in cell lines derived from head and neck squamous cell carcinomas (Bradford et al). 1991;104:303-10
Polymerase chain reaction identification of human papillomavirus DNA in $CO_2$ laser plume from recurrent respiratory papillomatosis (Kashima et al). 1991;104:191-5
**Paraganglioma**
Malignant paragangliomas of the head and neck: clinical and immunohistochemical characterization (Bhansali et al). 1991;104:132
**Paranasal sinus diseases**
CT evaluation of the paranasal sinuses in symptomatic and asymptomatic populations (Calhoun et al). 1991;104:480-3
Endoscopic sinus surgery: outcome in 155 cases (Matthews et al). 1991;104:244-6
Invasive chrysosporium infection of the nose and paranasal sinuses in an immunocompromised host (Levy et al). 1991; 104:384-8 (Case rep.)
Transantral sphenoethmoidectomy: A procedure for the 1990s? (Malotte et al). 1991;104:358-61
**Paranasal sinus neoplasms**
Aggressive juvenile fibromatosis involving the paranasal sinuses (Naidu et al). 1991;104:549-52 (Case rep.)
Ossifying fibroma of the mid-face and paranasal sinuses: diagnostic and therapeutic considerations (Marvel et al). 1991;104:803-8
**Parasympatholytics**
Mechanism of action of some commonly used nasal drugs (Jackson). 1991;104:433-40
**Paresis**
Bilateral vestibular paresis: diagnosis and treatment (Telian et al). 1991;104:67-71
**Parotid gland**
Life-threatening hemangioma arising from the parotid gland (Robertson et al). 1991;104:858-62 (Case rep.)
Parotid sialography with a new Zonarc program (Herrmann et al). 1991;104:421-4
Preservation of facial contour during parotidectomy (Nosan et al). 1991;104:293-8
**Partial oxygen pressure**; *see* **Oxygen**
**Pattern recognition**
Performance of children with multichannel cochlear implants: a three-center study (Novak et al). 1991;104:149
**Perilymph**
Effect of glycerol and mannitol on perilymphatic $PO_2$ in guinea pig cochlea (Yoshida and Uemura). 1991;104:495-8
Identification of perilymph proteins by two-dimensional gel electrophoresis (Paugh et al). 1991;104:517-25
Perilymph fistulas: the House Ear Clinic experience (Rizer and House). 1991;104:239-43
Perilymphatic fistula: analysis of free amino acids in middle ear microaspirates (Woodson et al). 1991;104:796-802
**Petrous bone**
Transcanal infracochlear approach to the petrous apex (Giddings et al). 1991;104:29-36
**Physical stimulation**
Prediction of bithermal caloric response from monothermal stimulation (Keith et al). 1991;104:499-502
**Pituitary neoplasms**
Spontaneous CSF rhinorrhea: an unusual presentation of a pituitary adenoma (Carroll et al). 1991;104:380-3 (Case rep.)
**Pleomorphic adenoma**; *see* **Adenoma**
**Poliomyelitis**
Evaluation, treatment, and follow-up results of post polio patients with dysphagia (Silbergleit et al). 1991;104:333-8
**Politics**
A homily for physicians (Ginzberg). 1991;104:157-8 (Keynote address)
**Polymerase chain reaction**
Polymerase chain reaction identification of human papillomavirus DNA in $CO_2$ laser plume from recurrent respiratory papillomatosis (Kashima et al). 1991;104:191-5
**Posterior semicircular canal occlusion**; *see* **Surgical techniques**
**Potassium–titanyl phosphate laser surgery**; *see* **Laser surgery**
**Pregnancy complications, infectious**
Congenital varicella and the newborn cry (Gaynor). 1991;104:541-4 (Case rep.)
**Prosthesis**
A new instrument for the simplification of tracheoesophageal puncture (Hurbis et al). 1991;104:410-6 (Drug/device)
A universal ossicular replacement prosthesis: clinical trials of 152 cases (Black). 1991;104:210-8
**Protective devices**
Protection of sigmoid sinus during neurotologic surgery (Holt et al). 1991;104:408-9 (Drug/device)
**Proteins**
Identification of perilymph proteins by two-dimensional gel electrophoresis (Paugh et al). 1991;104:517-25
**Pterygopalatine fossa**
Internal maxillary artery variability in the pterygopalatine fossa (Morton and Khan). 1991;104:204-9
**Pulmonary neoplasms**; *see* **Lung neoplasms**

R

**Radioallergosorbent test**
Diagnostic efficacy of in vitro methods vs. skin testing in patients with inhalant allergies (Corey et al). 1991;104:299-302
**Radiography**
Radiographic evaluation and diagnosis of the failed frontal osteoplastic flap with fat obliteration (Catalano et al). 1991;104:225-34
**Radiography, panoramic**
Parotid sialography with a new Zonarc program (Herrmann et al). 1991;104:421-4

**Radiotherapy**
Radiotherapy of advanced laryngeal cancer using three small fractions daily (Bradley and Morgan). 1991;104:838-41
**Rambo meatoplasty**; *see* **Surgical techniques**
**Reflex, vestibulo-ocular**
The electrically evoked vestibulo-ocular reflex. I. Normal subjects (Moore et al). 1991;104:219-24
Vestibular autorotation test asymmetry analysis of acoustic neuromas (O'Leary et al). 1991;104:103-9
Vestibular compensation after labyrinthectomy and vestibular neurectomy in cats (Cass and Goshgarian). 1991;104:14-9
**Respiratory tract diseases**
Polymerase chain reaction identification of human papillomavirus DNA in $CO_2$ laser plume from recurrent respiratory papillomatosis (Kashima et al). 1991;104:191-5
**Retractor**; *see* **Surgical instruments**
**Retrolabyrinthine approach**; *see* **Surgical techniques**
**Retrosigmoid approach**; *see* **Surgical techniques**
**Review articles**
Review articles. 1991;104:399-407, 881-90

**S**

**Safety**
Protection of sigmoid sinus during neurotologic surgery (Holt et al). 1991;104:408-9 (Drug/device)
**Salivary gland neoplasms**
Pleomorphic adenoma of cervical heterotopic salivary gland tissue: case report and review of neoplasms arising in cervical heterotopic salivary gland tissue (Rodgers et al). 1991;104:533-6 (Case rep.)
Sublingual papillary adenocarcinoma: a case report and review of the literature (Burgess et al). 1991;104:537-40 (Case rep.)
**Sarcoma, Kaposi's**
Emergencies in AIDS patients: the otolaryngologic perspective (Rothstein et al). 1991;104:545-8 (Case rep.)
**Scleromyxedema**
Laryngeal involvement in scleromyxedema: a case report (Rapp et al). 1991;104:362-5 (Case rep.)
**Semicircular canal occlusion**; *see* **Surgical techniques**
**Sensorineural hearing loss**; *see* **Hearing loss, sensorineural**
**Serotonin**
Glomus tumors of the temporal bone: electron microscopic and immunohistochemical evaluation (Farrior and Packer). 1991;104:24-8
**Sialography**
Parotid sialography with a new Zonarc program (Herrmann et al). 1991;104:421-4
**Sigmoid sinus**
Protection of sigmoid sinus during neurotologic surgery (Holt et al). 1991;104:408-9 (Drug/device)
**Silver jubilee issue**
Silver jubilee issue. 1991;104:1-152
**Sinus thrombosis**
Otogenic cavernous sinus thrombosis (Doyle and Jackler). 1991;104:873-7 (Case rep.)
**Sinusitis**
Blindness resulting from orbital complications of sinusitis (Patt and Manning). 1991;104:789-95
Middle meatus anstrostomy: patency rates and risk factors (Davis et al). 1991;104:467-72
**Skin diseases**
Laryngeal involvement in scleromyxedema: a case report (Rapp et al). 1991;104:362-5 (Case rep.)
**Skin tests**
Diagnostic efficacy of in vitro methods vs. skin testing in patients with inhalant allergies (Corey et al). 1991;104:299-302
The intracutaneous progressive dilution multi-food test (King and Motes). 1991;104:235-8
**Skin transplantation**
Skin grafting of the larynx (Olson). 1991;104:503-8
**Skull, pathology**
Osteomyelitis of the skull base, etiology unknown (Sie et al). 1991;104:252-6 (Case rep.)
**Skull neoplasms**
Tumors of the jugular foramen: surgical preservation of neural function (Goldenberg and Gardner). 1991;104:129
**Sleep apnea syndromes**
A dental device for the treatment of obstructive sleep apnea: a preliminary study (Ichioka et al). 1991;104:555-8 (Drug/device)
**Space medicine**; *see* **Aerospace medicine**
**Spasmodic dysphonia**; *see* **Voice disorders**
**Speech perception**
Comparison of speech perception abilities in deaf children with hearing aids or cochlear implants (Miyamoto et al). 1991;104:42-6
Performance of children with multichannel cochlear implants: a three-center study (Novak et al). 1991;104:149
Speech perception skills of children implanted with multi-channel cochlear devices (Shea III and Domico). 1991;104:148
**Sphenoid sinus**
Intrasphenoidal encephalocele (Albernaz et al). 1991;104:279-81 (Case rep.)
Sphenoethmoid sinus mucocele presenting with amenorrhea and galactorrhea (Green and Calcaterra). 1991;104:856-7 (Case rep.)
Transantral sphenoethmoidectomy: A procedure for the 1990s? (Malotte et al). 1991;104:358-61
**Squamous cell carcinoma**; *see* **Carcinoma, squamous cell**
**Steroids**
Mechanism of action of some commonly used nasal drugs (Jackson). 1991;104:433-40
**Stroboscopy**
Laser cordectomy for T1 glottic carcinoma: a 10-year experience and videostroboscopic findings (Casiano et al). 1991;104:831-7
**Styloid process**
Traumatic Eagle's syndrome (Schroeder Jr). 1991;104:371-4 (Case rep.)
**Subglottoscopy**
Microsubglottoscopy: an expansion of operative microlaryngoscopy (Ossoff et al). 1991;104:842-8
**Sublingual gland neoplasms**
Sublingual papillary adenocarcinoma: a case report and review of the literature (Burgess et al). 1991;104:537-40 (Case rep.)
**Suction**
Angle-tipped Baron suction tubes (Haberman II). 1991;104:891-2 (Drug/device)
**Surgical flaps**
Radiographic evaluation and diagnosis of the failed frontal osteoplastic flap with fat obliteration (Catalano et al). 1991;104:225-34
**Surgical instruments**; *see also* **Equipment and supplies**
A new instrument for the simplification of tracheoesophageal puncture (Hurbis et al). 1991;104:410-6 (Drug/device)
The thyroplasty retractor (Hoffman and Sillman). 1991;104:553-4 (Drug/device)
**Surgical techniques**
An analysis of the retrolabyrinthine vs. the retrosigmoid vestibular nerve section (Glasscock III et al). 1991;104:88-95
Middle meatus anstrostomy: patency rates and risk factors (Davis et al). 1991;104:467-72
A modified neoglottis procedure: update and analysis (Brandenburg et al). 1991;104:175-81
Modified Rambo meatoplasty in translabyrinthine tumor removal (Meyerhoff et al). 1991;104:100-2
The modified transcochlear approach to the cerebellopontine angle (Horn et al). 1991;104:37-41
Posterior semicircular canal occlusion in the normal hearing ear (Parnes and McClure). 1991;104:52-7
Technique for transmission and immunoelectron microscopy of the human endolymphatic sac and vestibular epithelia (Wackym et al). 1991;104:72-80
Techniques of and reconstruction after temporal bone resection (Pensak et al). 1991;104:145
The trans-sigmoid, retrolabyrinthine, transtentorial approach to the brainstem (Herzog et al). 1991;104:130-1

**Surgical techniques—(cont'd)**
Transantral sphenoethmoidectomy: A procedure for the 1990s? (Malotte et al). 1991;104:358-61
Transcanal infracochlear approach to the petrous apex (Giddings et al). 1991;104:29-36
Tympanoplasty: to stage or not to stage (Sheehy and Shelton). 1991;104:399-407 (Review article)
**Sweating, gustatory**
Congenital gustatory facial flushing (Zalzal). 1991;104:878-80 (Case rep.)

T

**Temporal bone, microbiology**
Sudden hearing loss due to AIDS-related cryptococcal meningitis—a temporal bone study (Kwartler et al). 1991;104:265-9 (Case rep.)
**Temporal bone, pathology**
Glomus tumors of the temporal bone: electron microscopic and immunohistochemical evaluation (Farrior and Packer). 1991;104:24-8
Intratemporal facial nerve hemangiomas (Shelton et al). 1991;104:116-21
Management of temporal bone carcinomas: a therapeutic analysis of two groups of patients and long-term followup (Spector). 1991;104:58-66
Middle fossa and intratemporal facial nerve neuromas (Wiet et al). 1991;104:141-2
A temporal bone study method to evaluate clinical diagnostic criteria: permeability of patencies of the fissula ante fenestram (Kohut et al). 1991;104:143-4
**Temporal bone, surgery**
Techniques of and reconstruction after temporal bone resection (Pensak et al). 1991;104:145
**Thyroid cartilage**
Carotid artery laceration secondary to thyroid cartilage fracture: an unusual complication of blunt neck trauma (Aviv et al). 1991;104:375-9 (Case rep.)
**Thyroid gland, surgery**
The thyroplasty retractor (Hoffman and Sillman). 1991;104:553-4 (Drug/device)
**Tinnitus**
Secondary endolymphatic hydrops—tinnitus (Shulman). 1991;104:146-7
**Tomography, x-ray computed**
Comparison of computerized tomography and magnetic resonance imaging for the postoperative assessment of residual acoustic tumor (Cass et al). 1991;104:182-90
CT evaluation of the paranasal sinuses in symptomatic and asymptomatic populations (Calhoun et al). 1991;104:480-3
**Tongue diseases**
Hypoglossal-facial nerve interpositional-jump graft for facial reanimation without tongue atrophy (May et al). 1991;104:818-25
**Tonsillectomy**
The effects of adenotonsillectomy on growth in young children (Williams III et al). 1991;104:509-16
**Tracheoesophageal fistula**
A new instrument for the simplification of tracheoesophageal puncture (Hurbis et al). 1991;104:410-6 (Drug/device)
**Trans-sigmoid approach**; *see* **Surgical techniques**
**Transantral approach**; *see* **Surgical techniques**
**Transcanal infracochlear approach**; *see* **Surgical techniques**
**Transcochlear approach**; *see* **Surgical techniques**
**Translabyrinthine approach**; *see* **Surgical techniques**
**Transtentorial approach**; *see* **Surgical techniques**
**Turbinates**
CT evaluation of the paranasal sinuses in symptomatic and asymptomatic populations (Calhoun et al). 1991;104:480-3
The potassium–titanyl phosphate laser for treatment of turbinate dysfunction (Levine). 1991;104:247-51
**Two-dimensional gel electrophoresis**; *see* **Electrophoresis, gel, two-dimensional**
**Tympanoplasty**
Tympanoplasty: to stage or not to stage (Sheehy and Shelton). 1991;104:399-407 (Review article)

U

**Urinary retention**
Astemizole-associated urinary retention (Lin et al). 1991;104:893-4 (Drug/device)

V

**Varicella**; *see* **Chickenpox**
**Vasoconstrictor agents, nasal**
Mechanism of action of some commonly used nasal drugs (Jackson). 1991;104:433-40
**Vertigo**
Posterior semicircular canal occlusion in the normal hearing ear (Parnes and McClure). 1991;104:52-7
Vestibular function testing: an evaluation of current techniques (Zane et al). 1991;104:137-8
**Vestibular aqueduct**
Technique for transmission and immunoelectron microscopy of the human endolymphatic sac and vestibular epithelia (Wackym et al). 1991;104:72-80
**Vestibular diseases**
Bilateral vestibular paresis: diagnosis and treatment (Telian et al). 1991;104:67-71
**Vestibular function tests**
Auditory and vestibular function after vestibular neurectomy (Rosenberg et al). 1991;104:139-40
Prediction of bithermal caloric response from monothermal stimulation (Keith et al). 1991;104:499-502
Vestibular autorotation test asymmetry analysis of acoustic neuromas (O'Leary et al). 1991;104:103-9
Vestibular function testing: an evaluation of current techniques (Zane et al). 1991;104:137-8
**Vestibular nerve**
An analysis of the retrolabyrinthine vs. the retrosigmoid vestibular nerve section (Glasscock III et al). 1991;104:88-95
Auditory and vestibular function after vestibular neurectomy (Rosenberg et al). 1991;104:139-40
The electrically evoked vestibulo-ocular reflex. I. Normal subjects (Moore et al). 1991;104:219-24
Vestibular compensation after labyrinthectomy and vestibular neurectomy in cats (Cass and Goshgarian). 1991;104:14-9
**Vestibular ocular reflex**; *see* **Reflex, vestibulo-ocular**
**Vestibule**
Vestibular and postural findings in the motion sickness syndrome (Hamid). 1991;104:135-6
**Video recording**
Laser cordectomy for T1 glottic carcinoma: a 10-year experience and videostroboscopic findings (Casiano et al). 1991;104:831-7
Videoendoscopic evaluation of patients with dysphagia: an adjunct to the modified barium swallow (Bastian). 1991;104:339-50
**Vocal cord paralysis**
A functional evaluation of ansa cervicalis nerve transfer for unilateral vocal cord paralysis: future directions for laryngeal reinnervation (Green et al). 1991;104:453-66
**Voice disorders**
Successful treatment of selected cases of abductor spasmodic dysphonia using botulinum toxin injection (Ludlow et al). 1991;104:849-55
**Voice prosthesis**; *see* **Larynx, artificial**

W

**Warm stimulation**; *see* **Physical stimulation**

Z

**Zenker's diverticulum**
Endoscopic diverticulotomy for the treatment of Zenker's diverticulum (Wayman et al). 1991;104:448-52
**Zonare sialography**; *see* **Sialography**
